1. Preliminary Statements

Applicants cite herewith patents, publications or other information of which they are

aware, which they believe may be material to the examination of this application and in respect

of which there may be a duty to disclose in accordance with 37 CFR 1.56. Some citations have

previously been submitted in a parent case, application serial number 09/827,010, thus copies of

these cited references are not included with this submission. All others are being included with

this submission.

The filing of this information disclosure statement shall not be construed as a

representation that a search has been made, an admission that the information cited is, or is

considered to be, material to patentability or that no other material information exists.

The filing of this information disclosure statement shall not be construed as an admission

against interest in any manner. No fee is believed to be due in connection with this submission

as this Information Disclosure Statement is being filed within three (3) months of the application

2

filing date or before receipt of the First Office Action.

However, if any fees are required, authorization is hereby given to the Commissioner for

Patents to charge the same to Deposit Account No. 50-0914.
